UNI

University of Northern Iowa
Online & Distance Education

Classes begin
May 2021

Elevate your teaching

This endorsement pathway will help improve teachers' physics content knowledge and better prepare Iowa students for a future in STEM. The coursework is designed for teachers who are licensed by the state of Iowa to teach 5-12 math or science and are interested in the Iowa 5-12 Physics Endorsement or the physics component of the Iowa 5-12 All Science Endorsement.

Program features

Participants will learn how to:

- Build and demonstrate competencies in physics content knowledge and scientific practices
- Implement research-based active-learning strategies and resources that engage students in a physics classroom in alignment with the Next Generation Science Standards (NGSS)
- Assess students' conceptual understanding and problem-solving competencies
